A Sweet Breath
Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick of White Plains, Ky., writes: "I have been a dyspeptic for years. Tried all kinds of remedies, but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. J. J. Wood & Son.

ENORMOUSLY EXAGGERATED!

Dr. John A. Reed Really Insists That He Is Not Dead.

Since the raising of Augusta's blockade—our blockade—against Maysville, a gentleman from this city ventured into that delightful village.

He found a coterie of friends engaged in discussing the top-crust subject, Smallpox.

"Hello, John," was the familiar salutation; "when will Dr. Reed's funeral take place?"

"Dr. Reed's funeral; what do you mean?" inquired the Man from Maysville with surprise.

"Why, didn't you know he was dead?" he died today of Smallpox," was the positive assertion of the Wise Man of Augusta.

This startling "information" coming to The Ledger Man he at once sought Dr. Reed for his version of the affair.

"How are you, Doctor?" hailed the scribe.

"Never felt better or had less," cheerily replied the Man of Medicine.

"Why, Doctor, Didn't You Know That You Had Died Of Smallpox?" They say so in Augusta, and It Must Be A Fact."

"Well, I am of the opinion that the report is greatly exaggerated," rejoined the Doctor as he swiped a hard-fought game of chess from his opponent.

VISIT TO SAGO TRIBE.

The Indians at Germantown an Enthusiastic Body of People.

Sago Tribe No. 94, I. O. R. M., of Germantown, the youngest Tribe in Kentucky, was officially visited Saturday night by Great Sachem W. C. Pelham and his suite, consisting of State Exemplifier Frank L. Smith of Lexington, Past Sachem George M. Hauke, Chief of Records W. C. Wormald, First Sannap James W. Outten and Guard of Forest James B. Key of Wyandotte Tribe of this city, and George W. Walters of Hiawatha Tribe No. 75 of Indianapolis.

They reported a good time and excellent treatment at the hands of Sachem Bell and his fifty-odd warriors and braves present.

Their wigwam is spacious, the members very enthusiastic and full of vim, and in a short time this Tribe will be one of the most powerful in the state.

The Exemplifier discharged his duties of instruction and explanation in the secret work to the intensely interested brothers present, and the Great Sachem delivered an instructive lecture, being greatly applauded.

It is safe to say that the members of Sago Tribe will always be warmly welcomed in the hospitable wigwam of Wyandotte Tribe in Maysville.

THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—
"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprising community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

It is Surprising the Amount of Business We Did the Past Six Weeks

Considering the embargo put on Maysville's business during that time. Our sales, however, compared with last year's corresponding time, show such a decrease that it will require heroic treatment to restore our 1903 spring business to its normal volume. It is not now a question of ordinary legitimate profit; it is simply a question of doing four months business in two months. Convince yourself by looking in our East window and see the

How to Ward Off an Attack of Rheumatism.

"For years when springtime came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Jose McDonald, of Man, Logan county, W. Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment." For sale by J. J. Wood & Son, Druggists.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, P. J. BARKLEY'S!

THE BEE HIVE! A SATISFACTORY SHOE STORE

A busy one because it deserves to be busy. Language has its limitations, which may account for lovers giving it up and merely holding hands. It isn't easy to make the plain facts of our shoe business stand out without seeming to "knock" at other shoe businesses. Yet, why should we? Maysville was shoe happy even before this store started. We had to do better things, else no shoe business could have been won. WE DID—and today for COMFORT, WEAR and STYLE we have the most satisfactory shoe store in Maysville.

We guarantee every pair and take much pleasure in fitting you, and you know "It is a feat to fit feet."

OXFORDS, SANDALS and SHOES—for the Miss, Maid and the Mother.

DOWN STAIRS TALK—Let's us come down one floor. We have been talking about shoes and feet upstairs; let's talk about gloves and hands down stairs.

We sell more of our F. W. L. Kid Gloves than any other. No wonder. \$1 and guaranteed. Still, we want to tell you that sales on our \$1.50 Washable Kid Gloves are also increasing. Directions for washing with each pair. It might be to your interest to inquire about the gloves while in.

THE SMALLPOX SCARE.—It has been known for several weeks that smallpox existed in Maysville, but until recently information has generally been withheld and the matter has been so covered up that the public outside of Maysville knew scarcely anything about it. The facts are leaking out. The disease is there, of an epidemic form and of the most malignant and fatal type. The kind we had in Mt. Olivet a few years ago is not to be compared with it. Some few recover, but a majority of persons who take the disease die within forty-eight hours. More than sixty deaths have resulted in Maysville already.—Robertson Advance.

One of the most puzzling problems in the newspaperman's life is to "run down" the source of "information," particularly when that information is of such an exaggerated type as the foregoing.

But, assuming that Messrs. Still & Brown, Editors and Publishers of The Advance, are gentlemen who seek the exact truth, and who would not knowingly injure their own paper by printing unreliable news, THE LEDGER specifically points out the misstatements in the foregoing.

There has been neither desire nor attempt on the part of anybody here to "cover up" or "withhold" anything concerning the smallpox; indeed, both daily newspapers have published the names of those afflicted, with their residence.

This being the case, the "facts" have been "leaking out" almost daily.

It is true that "the disease is here," and it has been, in a more or less aggravated form, since October 29th, 1902. From that date to the present hour there have been exactly 125 cases of all degrees, from mild varioloid to the confluent type.

Of these 125 cases, exactly 24 have died; and of this number 5 can be attributed to other complications—1 from chronic kidney trouble, 1 from general debility, 1 from heart failure, 1 from goiter, and 1 an infant born while the mother was ill with smallpox. One of these victims was nearly 80 years of age and two others were nearly 60. But, so far from "covering up" or "withholding" the "facts," all were credited directly to smallpox.

These being the exact figures, where is the warrant for the concluding declaration that "few recover" and a majority die within forty-eight hours? Or for the assertion that there have been "more than sixty deaths?"

Besides, the Health Officers of Fleming, Nicholas and Bracken counties have been here in person, impelled by the alarming reports that had reached them, and in each instance they went home and published in their county papers an official statement of the real condition of affairs, doing the fullest justice to the physicians and people of Maysville, and thus honoring themselves and their profession.

The Health Officers of Robertson county

have likewise been invited to visit this city and learn the truth. Surely they are not less just or generous than their co-laborers of Fleming, Nicholas and Bracken. The LEDGER sincerely hopes they will come, and it assures them of the most courteous treatment and every opportunity to arrive at the whole truth.

If there be any who do not believe there is honor enough in a newspaperman to tell the truth, THE LEDGER gives the following official statement from the Health Officers of the state, the county and the city, supplemented by the indorsement of the Mayor—

THE TRUE STATE OF PAST AND PRESENT CONDITIONS IN THE CITY OF MAYSVILLE.

Since October 29th, 1902, there have developed in this city 125 cases of smallpox of all types. In that time we have had 24 deaths. There are now under treatment in this city four cases, all convalescing. There are now seven families that have not been released from quarantine, but are well. There is one case at the County Pesthouse and twenty-four persons confined there, seven of whom have been afflicted with the disease. Compulsory vaccination is being enforced from house to house, in both city and county.

Maysville, Ky., April 18th, 1903.

Since the foregoing was written—Saturday, April 18th,—there have been just two new cases: ANTHONY BEASLEY, 543 West Second, and THOMAS BRADFORD, Walnut street near Forest avenue, both of whom are now in the County Pesthouse, two-and-a-half miles from the city; and this is the exact condition at 9 o'clock a. m., Tuesday, April 21st.

PRETTY society girls to pose as art models at the Art Museum is the latest novelty in the Cincinnati social world. If this "fad" should strike the society buds of Chicago, they'd soon put the Cincinnati girls out of business, by reason of their broader bug-mashers, which would enable them to stand more at ease.

BURGERS have for a year or so past been singularly successful in raiding rural Banks and getting away with the bundle and whole skins. But a few days since the gentry swooped down on the town of Wampum, Pa., and among the 766 inhabitants was one man who was marksman enough to kill one of the robbers. It is safe to say that that gang will seek some other wampum belt in the future.

MR. JOHN ALEXANDER, who was excused from Jury service by Judge CANTRELL in the Howard case, asks a correction of the statement which has been put out by the newspapers that he "was the only Republican on the Jury." Mr. ALEXANDER wants it understood that he never was a Republican, but on the contrary has been a life-long Democrat. THE LEDGER complies with Mr. ALEXANDER's request with pleasure—not so much as a matter of justice to him, but as a matter of justice to the Sheriff of Franklin county. When the report was first started it was not believed that the Sheriff had made such a serious mistake as summoning a single Republican to serve on the Howard or Powers juries, and now it is known that he did not.

A WASHINGTON, D. C., LADY

Statement.After Years of Sufferings From
Acute Nervous Dyspepsia,
Paine's Celery
Compound

Effects a Happy Cure.

Dyspepsia, one of humanity's most cruel enemies, is effectually cured by the use of Paine's Celery Compound. This tormenting disease is caused by acute inflammation of the nerves centered about the stomach. In dyspepsia nervous energy is wasted, and the entire digestive organism is deranged. The needs of dyspeptics may be summed up as follows: The great nervous

system requires strengthening; the blood now charged with impurities must be cleansed, so that it will flow healthily and in abundance; the stomach, weak, and unreliable, must be toned up. Paine's Celery Compound in the springtime will accomplish all that is needed for the dyspeptic sufferer, and banish troubles that make daily life unbearable. Mrs. Ada Cochrane, Washington, D. C., says:

"I have been for years a sufferer from acute attacks of nervous dyspepsia, and during the past winter I heard so much about your Paine's Celery Compound I decided to try what it would do for me. I used less than two bottles and experienced relief almost from the first dose I took. I did not find it necessary to finish the second bottle. I therefore do not hesitate to add my hearty endorsement to the many thousands of testimonials you already have."

Due Notice is Given.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. J. J. Wood & Son.

The Tacoma for Pomeroy will pass up tonight.

The Virginia will be up tonight for Pittsburgh.

The Bonanza will be down tonight from Pomeroy.

The Sunday excursions between Louisville and Cincinnati begin the first Sunday in May.

Captain George Derrickson of St. Louis has a solid silver sugar bowl found in the wreck of the steamer Pittsburgh, which was burned near Paducah about a year ago. The bowl was somewhat damaged by the fire.

The new steel double-hulled ferryboat Alex. M. Halliday has been completed by Ed. Howard and she is now ready to leave for New Orleans, where she will run between that city and Algiers. The boat is a fine specimen of workmanship.

In a collision in the Ohio river Sunday afternoon at what is known as Glasshouse Rifles, about one mile out from Pittsburgh, between the towboats Aubrey, running light, and the James Moren with a big fleet of coal going South, one barge and one boat of coal were lost. In all about 38,000 bushels went to the bottom.

The lighthouse steamer Joseph Henry is at Memphis, having made her last trip. A new boat will be built to take her place. Nearly twenty-five years ago the Joseph Henry was constructed at Jeffersonville, Ind., and has plied the Mississippi river in the lighthouse service ever since. Her days are numbered, however, and a few more weeks will terminate her faithful loyalty to Uncle Sam.

A STRENGTHENER

Vinol Promptly Overcomes
Weakness.DEBILITY OFTEN PRECEDES
COMPLETE COLLAPSE.We Want Every One to Know
How to Get Strong.OUR VINOL IS A STRENGTH
CREATOR.

The saddest sight on earth is a broken-down man or woman.

We see such people every day right here in our city.

It is pitiful to see a man that should be in his prime dragging himself through life dejected, discouraged and broken down, due to some premature weakness. It does not make any difference whether this weakness is the result of dissipation, indiscreet living or disease; it can be overcome.

We have known of many very serious cases of debility quickly overcome by Vinol.

Vinol is a scientific re-builder and strength creator. It contains the active curative principles of Cod-Liver Oil in a highly concentrated form. The benefit that can be derived from the use of these properties is so well known that there is no need for us to enter into that subject.

We could quote many instances where Vinol has done good; as an example, here is one coming from Jane S. Fenfren, a prominent member of the W. C. T. U., and a resident of Suncook, N. H. She writes:

"I was run down, was in bed from May to March. Was so nervous and sickly that every one thought I was in a most precarious condition. My weight was reduced to 120 pounds. I was advised to take Vinol, which I did, and am now very much better, and am able to be about again. As a re-builder and a strength giver nothing can equal it. Vinol is a God-blessing to anybody."

Because Vinol is delicious, and because it does contain these much-sought-after medicinal properties we endorse it, and we unhesitatingly proclaim that it is better than any preparation of cod-liver oil or tonic re-builder we have ever had in our store.

At a meeting of the Board of Directors of the Maysville Gas Company March 28th, 1903, it was ordered, that on and after the 1st day of April, 1903, the above sliding scale price of gas for all purposes, fuel and illuminating, should go into effect for private consumption.

All rates and discounts heretofore made are abolished.

It was also ordered that after the 1st of April the old rule of the Company, "Gas will be turned off, if account is not paid within five days after presentation," shall be strictly and industriously enforced, regardless of whom it may concern. (This action was taken, not to appear arbitrary, nor with the idea that the accounts of the customers were not perfectly good any time during the month, or a year later for that matter, but for the good of all concerned and in order that this part of the business of the Company might be taken up at a specified time during the month and disposed of, and further in order that the time and thought of the Company's Agents and employees, now so largely occupied with the work of collecting, might, for the balance of the month, be directed towards giving consumers of gas better attention and more efficient supply and service.)

It was further ordered that, beginning the 1st of May, and for each and every month thereafter, the monthly statement of account of each consumer should be delivered to said consumer by an Agent of the Company on the first day of the month, or second day, if the first comes on Sunday, and that said account shall thereafter be due and payable at the office of the Company on Court Street within five days, and if not so paid gas will be promptly shut off.

The Gas Company further announces that after the first day of April they will handle and sell at cost price to gas consumers any of the great variety of Gas Stoves and Ranges shown in the catalogue of the Detroit Stove Works, which price will be equal to 50% discount from the list prices in said catalogue. Said stoves will be sold for cash only, or according to the terms of a printed book, whereby easy payments are extended over a period of from twelve to seventeen months. For instance: Take a gas range listed in catalogue at \$20. The Gas Company will sell this range to consumer for \$15 cash, or for \$2.50 cash at signing of lease and \$1.25 per month for seventeen months, at the expiration of which time the range is sold property of consumer.

The Company has selected to handle the Detroit Jewel Gas Range on account of its known reputation for durability and economy in its consumption of gas.

The Gas Company will also handle at cost the fixtures and mantels of the Webster Company in all of their many attractive varieties.

Before closing this announcement the Gas Company wishes to publicly express its appreciation of the unflinching, fair, just and courteous treatment accorded them by the Mayor, the Mayor and Board of Council, particularly the Chairman and members of the Gas Committee, through whose efforts in behalf of the private consumers the above concessions in the price of gas are now made.

With the assistance to the citizens of Maysville and its Agents to give you the very best service at the very least cost, we beg to remain, very respectfully,

MAYSVILLE GAS COMPANY.

P. S.—On and after the 1st of April the Gas Company will have on exhibition at the plumbing establishment of Mr. Larry Langefels samples of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. You can leave your order for a range with any representative of the Gas Company, Mr. Langefels or your regular plumber, with either of the latter of whom you will have to make arrangements for connecting and fitting up range for use in case you place your order.

The Start

In married life is generally made on an equal footing of health in man and wife. But how soon, in many cases, the wife loses the start and fades in face and fails in flesh, while her husband grows even more rugged and robust.

There is one chief cause for this wifely failure and that is, the failure of the womanly health. When there is irregularity or an unhealthy drain, inflammation, ulceration or female weakness, the general health is soon impaired.

Dr. Pierce's Favorite Prescription cures womanly diseases. It establishes regularity, drives unhealthy drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong and sick women well.

"A little over a year ago I wrote to you for advice," says Mrs. Elizabeth J. Fisher, of Diana, W. Va. "You advised me to use Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,' which I did, and with the most happy result. I was troubled with female weakness and bearing down pains. Had a very bad pain nearly all the time in my left side, nervousness and headache. Was so weak I could hardly walk across my room. Could not sit up only just a little while at a time. My husband got the some of Dr. Pierce's medicine and I began its use. Before I had taken two bottles I was able to help do my work. I used three bottles in all and it cured me. Now I do all my housework. It is the best medicine I ever used."

The Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Good For Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and Laryngitis because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heats and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. J. J. Wood & Son.

CUTICURA
OINTMENT

Purest of Emollients and
Greatest of Skin Cures.

The Most Wonderful Curative
of All Time

For Torturing, Disfiguring
Humours.

Cuticura Ointment is beyond question the most successful curative for torturing, disfiguring humours of the skin and scalp, including loss of hair, ever compounded, in proof of which a single anointing with it, preceded by a hot bath with Cuticura Soap, and followed in the severer cases by a dose of Cuticura Resolvent Pills, is often sufficient to afford immediate relief in the most distressing forms of itching, burning and scaly humours, permitting rest and sleep, and points to a speedy cure when all other remedies fail. It is especially so in the treatment of infants and children, cleansing, soothing and healing the most distressing of infantile humours, and preserving, purifying and beautifying the skin, scalp and hair.

Cuticura Ointment possesses, at the same time, the charm of satisfying the simple wants of the toilet, in caring for the skin, scalp, hair and hands from infancy to age, far more effectively, agreeably and economically than the most expensive of toilet emollients. Its "instant relief for skin-tortured babies," or "Sanative, antiseptic cleansing," or "One-night treatment of the hands," or "Single treatment of the hair," or "Use after athletics," cycling, golf, tennis, riding, sparring, or any sport, each in connection with the use of Cuticura Soap, is sufficient evidence of this.

Millions now rely on Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itchings and chafings, as well as for all purposes of the toilet, bath and nursery.

CLOTHING
TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
